

I WENT WALKING

Grade Level

K-1

Materials

I Went Walking by Sue Williams

copies of book cover and student pages

pencil, crayons, or colored pencils

clipboards

Activity

1. Read I Went Walking
2. Give each student access to a clipboard, student page, and writing materials.
3. Designate an area for students to walk while observing what creatures they can see.
4. Have each student complete the student page adding a descriptive word, insect/animal name, and illustration.
5. Collect the pages to assemble into a classroom book.

I Went Walking

By

Class

Based on a book by Sue Williams

I went walking.

What did you see?

I saw

Looking at me.
